# A word from the Headteacher...

Our residential programme started this week with some great weather at The River Dart Park. The primary pupils looked like they had some amazing fun and built their team spirit really well.

We continue to focus on future jobs and careers through visiting all the local exciting projects across Plymouth. The science and Imax visits really inspired our pupils and gave them the belief that they could actually do anything that they set their mind to if they try hard.

We have had new staff starting recently, over the next few weeks we will be introducing them via the newsletter.

We are currently working on the groupings and timetable for June as this is the time that our academic year ends at Mount Tamar and some groups will change rooms and maybe staffing. We will try to keep this as consistent as possible, however this does need to be balanced with staff who move on and also getting the pupils used to some change.

Please keep up to date with all that is happening through our Facebook and Twitter pages, we use social media daily to update and inform carers and parents of what has been going on in and around school and future events. We are always striving for excellence, if you have any suggestions for how we can improve come in and have a chat to Hayley or Sandra.

## Word of the week...

w/c: 25/03/19

# Authentic

Meaning: someone or something is genuine and real.

# River Dart Residential

We arrived safely and unpacked all of our belongings in our dorms. We tried out all of the park equipment before lunch then went stream dipping where we managed to catch pond skaters, beetles and even some small fish!

After a lovely dinner of pasta bolognese we had a campfire, sang some songs and toasted marshmallows before settling down for bed. Some of the children were anxious about a night away from home but they did fantastically well to get some sleep! The adults even managed some hours!

After a big fry up on our final morning we went on a welly walk and hunted for bugs. The children competed to make the best bug hotel (Gary got very competitive!) and we ended the brilliant residential with a spot of shopping!

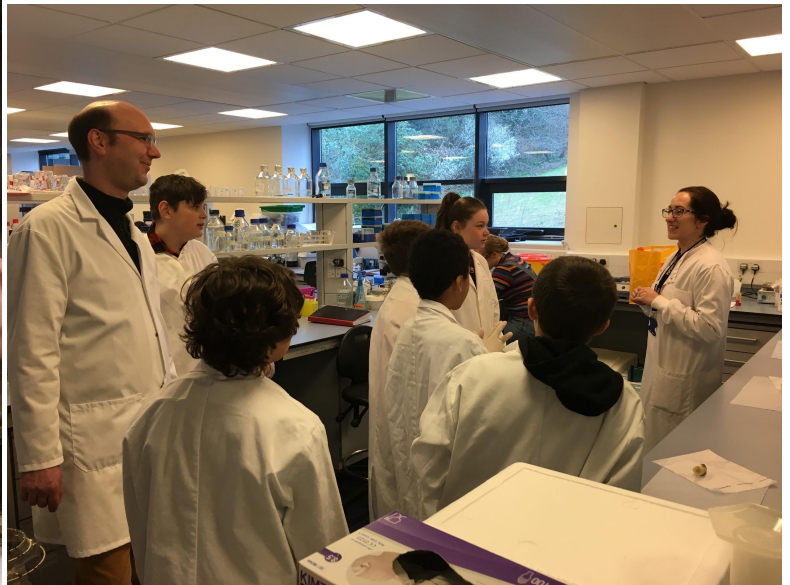

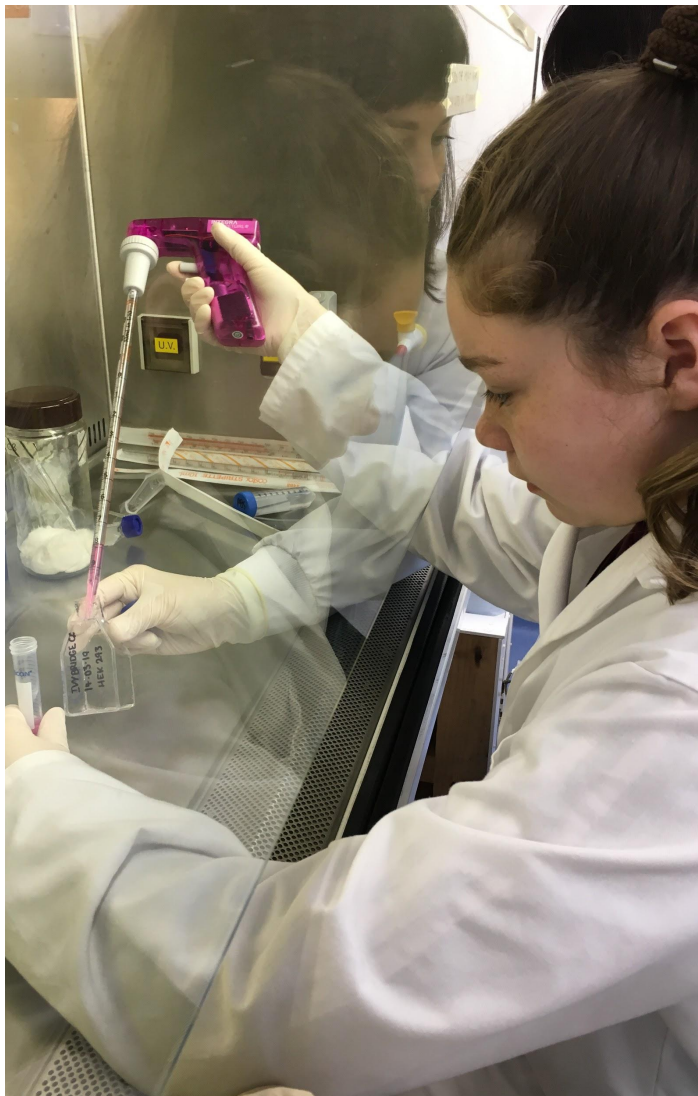

# River Dart Residential

# British Science Week

Last Friday six of our students attended the annual British Science Week event at the brain tumour research labs at the science park in Derriford. Although the event is aimed at year 9, Miss Duffy also took some year 8 and 7 students who are enthusiastic about the subject. They greatly impressed the scientists there, who declared their DNA extraction to be the best they have seen this year! They also processed and relocated some kidney cells, which will be used in the coming weeks in actual research to find treatments for brain tumours and diabetes. Finally we looked at genetically modified fruit fly larvae whose brains glowed red under a special light. These are used to find treatments for Alzheimer's disease. A couple of our students said they were now interested in this sort of work in the future. Well done all!

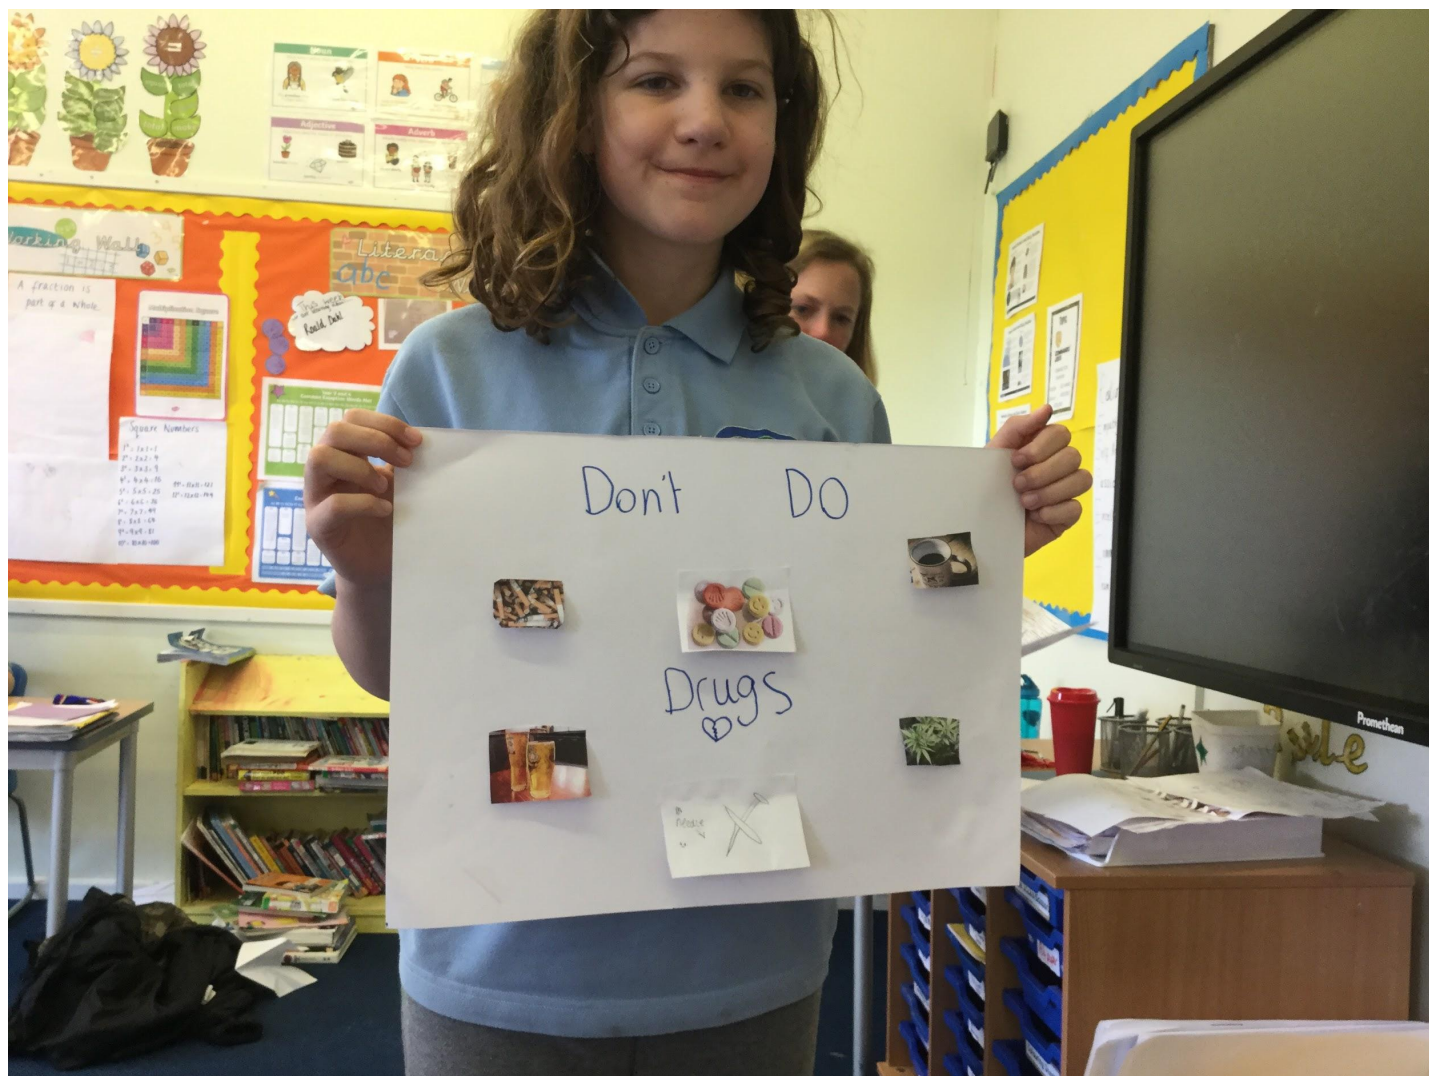

# British Science Week

# Merlins Class

This week in Merlins we have been learning about the effects of drugs on our bodies. Amy has worked incredibly hard this morning on her poster which includes facts under the images.

# IMAX Visit

We are currently working with the "Build Plymouth" group and have been visiting the Open Doors events in and around the city.

Our Prospect students had the opportunity to revisit the new IMAX complex in the city centre. The class saw the start of the construction some months ago and we thought it would be fantastic to see how much the area has been transformed in such a short period of time.

Once the class had been fully kitted out in the correct safety equipment and had been given the appropriate level of safety induction for this visit we went straight out into the complex and started to climb!

Some 207 steps later (Quinn counted them with Mr Holl) we made it to the sky bar which will have even more fantastic views of the whole of Plymouth. Then, we started the descent and saw lots of new areas on each floor. The first area we came across was the main IMAX cinema which features curved seating atriums and a huge wall where the huge curved IMAX screen will be installed. We were told that once all of the construction was completed, all of the contractors would leave the building and then a separate team of specialist contractors would be arriving to install all of the cinema equipment. This will be completed secretly, so that it will be an even bigger surprise when it all opens!

The lower floors encompass 12 new restaurants as well as the other 11 standard screen cinemas - all of which appeared huge (but that may be because we saw them when they were completely empty).

Once Quinn had finally finished counting the steps to make sure he was correct, we returned to the main site office. Emma from "Build Plymouth" then gave us all an interesting talk about all of the construction going on in and around Plymouth. Emma also discussed the types of jobs available in construction as well and then answered some quite difficult questions from the students before we left to return to school.

# Prospect Centre

The boys at the Prospect Centre enjoyed decorating their calm boxes this week...

# Buzzards Class Haiku Poems

Buzzards class have been recognising different types of poetry and learning about Haikus ( Japanese poem). We wrote haikus about the damage being done to the environment by humans, and the result of this. Callum ( yr 6) has written this one, making sure it has the correct number of syllables. Well done!

## Haiku

**Appalling, dreadful (5)  
Mother Nature at its  
worst (7)  
it was lush and green. (5)**

# Donkey Sanctuary

The pupils from the Prospect Centre enjoyed another great trip to the donkey sanctuary this week...

# Theatre Royal Statue

This is Messenger - the largest bronze cast sculpture in the UK, being delivered to Plymouth City Centre and being installed outside theatre royal. One of our off site students was lucky enough to see it being delivered!

## Dates for your Diary

**Thursday 28th March-** PSA Coffee Morning- Craft Session

**Friday 5th April-** Last day of term

**Tuesday 23rd April-** First day back for Pupils

# Some of our new staff.....

**Jenny Blackstone - Teacher**

Last book- The couple next door

Dream destination- New Zealand

Favourite film- Stepbrothers and Stand by me

# Short Breaks Family Fun Days

The Short Breaks Service and the Sports Development Unit are working together to provide families with disabled children the opportunity to use the excellent facilities at the Plymouth Life Centre and to take part in a range of sports and activities. If you are a parent or carer of a disabled child aged 6 to 18 who lives within Plymouth, this free event allows your whole family to take part in an afternoon of various activities.

- Sunday 7<sup>th</sup> April
- 1pm – 5pm
- Plymouth Life Centre, Mayflower Drive, Plymouth, PL2 3DG
- Cost: FREE!
- Activities will include Boccia, Climbing, Trampolining, Swimming and Seated Volleyball

For more information and to register your interest please call the Sports Development Unit on 01752 307008 or email Adrian at [adrian.cable@plymouth.gov.uk](mailto:adrian.cable@plymouth.gov.uk)

These events are part of the Plymouth City Council Short Breaks offer for disabled children. To be eligible to access these events your child must live in Plymouth and have a diagnosis of a disability and attend a special school or support centre, although they may still be eligible if they attend a mainstream school and are supported by an EHC Plan.

## NEW TV SERIES LOOKING FOR CONFIDENT PARENTS!

**IF YOU'RE A COUPLE OR A SINGLE PARENT  
AND HAVE A CHILD AGED BETWEEN 5 &  
13, WE WOULD LOVE TO HEAR FROM YOU!**

EMAIL US...

ALL CONVERSATIONS ARE CONFIDENTIAL AND THERE IS NO OBLIGATION TO TAKE PART. FOR MORE INFO ON HOW MONKEY KINGDOM LTD AND NBC UNIVERSAL GROUP COMPANIES HOLD, STORE AND PROCESS YOUR INFORMATION PLEASE GO TO [HTTP://WWW.NBCUNI.COM/PRIVACY](http://WWW.NBCUNI.COM/PRIVACY)

## Soccer Roadshows

Our Soccer Roadshows are age and football specific with the emphasis on fun, enjoyment and development. Sessions include skills, technique, competitions and small sided games.

## Strikers & Goalkeepers

Whether it's to put the ball in the net or keep it out, this Argyle Roadshow is designed to improve your skills in both areas.

## Disability Football & Shortbreaks

**Disability Roadshow:** A fun-filled day packed with football games in an inclusive and comfortable environment. The day is tailored for children with a physical impairment, learning disability or mental health condition. **Shortbreaks:** Half day of football and multi sport activities for children ages 7-14 with either Autism or ADHD. Limited to 14 spaces per day!

## Tiny Tots

Tiny Tots football sessions are aimed at those - six year olds, who are experiencing their first taste of a structured coaching session. The sessions are staffed at a ratio of 4 coaches to 10 children. The emphasis is to improve listening and concentration skills whilst working on balance and co-ordination. The children can develop in a safe and fun environment over the duration of the sessions.

## Activities Day

Come and join us for a fun-filled day where you will have the opportunity to participate in a number of activities including football, golf, pool, table tennis, computer gaming, art and crafts and lots more.

## Search for a Star

Your opportunity to shine, this day is dedicated to inspiring young footballers who want to improve their football development. Activities will include technical development, game awareness, small sided games, competitions and diet and nutrition advice. Young people will have the opportunity to be watched under the eyes of our scouts and coaches.

## PL Future Star Day

Premier League Future Stars day is a fun based multi-sports activities from Football, Handball, Dodgeball from learning the sports to engaging within competitions. Focused around the Core PL Stars Values of: Be Connected, Be Ambitious, Be Fair, Be Inspiring - Can you be the next future star!

## Easter Eggstravaganza

Easter Eggstravaganza will be a excellent way to round off the Easter holidays, auctioned packed day with a clear emphasis on fun, competitions and small sided games. Each participant to walk away with a chocolate treat and a prize.

## For Your Interest February Newsletter (FYI)

We keep in touch with parents through our **For Your Interest** newsletter. At Plymouth Information, Advice and Support for SEND we regularly receive lots of useful and interesting information that is highly relevant to parents. Once we have a good amount of information we send it out in 'magazine form' to our FYI Mailing list.

Information in the mailing includes:

- Participation Opportunities
- Local Events
- Parent Groups and Coffee Mornings
- Surveys and consultations
- Workshops
- And much more!

You can access the newsletter via the link below:

[http://www.plymouthias.org.uk/resources/files/publication\\_80\\_FYI-newsletter-feb-2019.pdf](http://www.plymouthias.org.uk/resources/files/publication_80_FYI-newsletter-feb-2019.pdf)

**FOR YOUR INTER-February 2019**  
Please take a copy

**Schools Out... for February Half Term!**  
There are lots of activities and events in the Plymouth area scheduled for families over the school holidays and beyond.

Take a look and see what's on offer... there's lots to see and do and many activities are **FREE!**

My Voice My Choice

**PLYMOUTH'S SEND YOUTH FORUM**

The Youth Forum (YFF) aims to give young people in Plymouth a voice and platform to share and discuss ideas around Special Educational Needs and Disabilities (SEND). It is open to any young person aged 10-25 years old with SEND.

The YFF Steering group will feed information up into council meetings and back into schools and agencies that work with young people.

Next Meeting: Monday 4 March 2019, 5pm-7pm  
Join us for Pizzaz! Taxi's available, just call us to book.

For further information see [Youth Ascents](#) or contact Nicole Gallagher on 01752 305197 / 07833048700 or email: [YFFforum@plymouth.gov.uk](mailto:YFFforum@plymouth.gov.uk)
